Dear Mr. Stemple:

Re: "Where's What"

Two of our field offices have requested copies of the book entitled "Where's What". [REDACTED] of the Central Intelligence Agency advised us that all of the available copies have been issued and suggested that perhaps you would be willing to make two copies available to us. We understand that your own text covering Sources of Information will be printed in the near future. STATINTL

Your consideration in furnishing the books is greatly appreciated.

Yours very truly,

R. K. Lund
Acting Director
Intelligence Division
